TO: The Second Circuit Solicitor's Office

Attention: Chief Mark Keel, General Counsel Adam Whitsett, and Special Agent
Mary McCallister

COMES NOW THE VICTIMS by and through their undersigned attorney, Sarah A. Ford of the South Carolina Victim Assistance Network, pursuant to S.C. Const. art. I, § 24(B), petitions this Honorable Court for a Hearing and Writ of Mandamus to compel the Second Circuit Solicitor's Office and South Carolina State Law Enforcement Division ("SLED") to enforce the Bond Order in the above-referenced case as follows:

1. SLED investigated three allegations of sexual assault against the Defendant, and the Second Circuit Solicitor's Office was selected to prosecute all pending cases against the Defendant after the First Circuit Solicitor's Office was recused for a conflict of interest. The Defendant's father was employed as an Investigator for the First Circuit Solicitor's Office at the time the Defendant was charged and is the basis for the recusal.

2. The Second Circuit Solicitor's Office and SLED are under the jurisdiction of this Court in this case, and both are subject to a Writ of Mandamus to be issued by any justice of the

Supreme Court or circuit court judge to require compliance by any public employee, public agency, the State, or any agency responsible for the enforcement of the rights and provisions of these services contained in this section.”¹

3. The Petitioners of this request for a Writ of Mandamus are victims under South Carolina law and are afforded protections under the South Carolina Constitution Article 1, Section 24, and SC Code § 16-3-1505.²

4. On August 5, 2019, this Court issued its Order Granting Bond (“Order”). A copy of the Order is attached to this Petition and incorporated herein by reference. A relevant portion of this Order reads as follows: “If the Defendant is observed violating any term or condition of this Order, any law enforcement agency is hereby authorized by this Order to immediately take the Defendant into custody and to hold the Defendant in custody pending a hearing on the alleged violation(s) of this Order.”

5. Based on a request from the Victims, SLED obtained GPS records from Illery Bonding Company on March 2, 2022, which are attached hereto. GPS records show violations of the Order.

6. On March 25, 2022, the Solicitor’s Office of the Second Judicial Circuit filed a Motion to Revoke Bond, based on these numerous violations. A copy of the Motion is attached hereto and incorporated herein by reference. In summary, from November 2021 through February 2022, the Defendant violated his bond requirements nearly fifty (50) times by failing to comply with conditions of Home Detention, including failing to comply with curfew set by the Court, traveling to prohibited locations, and leaving the State of South Carolina. The Solicitor’s

¹ S.C. Const. art. I, § 24(B): “Nothing in this section creates a civil cause of action on behalf of any person against any public employee, public agency, the State, or any agency responsible for the enforcement of rights and provision of services contained in this section. The rights created in this section may be subject to a writ of mandamus, to be issued by any justice of the Supreme Court or circuit court judge to require compliance by any public employee, public agency, the State, or any agency responsible for the enforcement of the rights and provisions of these services contained in this section, and a wilful failure to comply with a writ of mandamus is punishable as contempt.”

² SC Code § 16-3-1505 – Legislative intent: “In recognition of the civic and moral duty of victims of and witnesses to a crime to cooperate fully and voluntarily with law enforcement and prosecution agencies, and in further recognition of the continuing importance of this citizen cooperation to state and local law enforcement efforts and to the general effectiveness and the well-being of the criminal and juvenile justice South Carolina Crime Victims’ Rights Laws systems of this State, and to implement the rights guaranteed to victims in the Constitution of this State, the General Assembly declares its intent, in this article, to ensure that all victims of and witnesses to a crime are treated with dignity, respect, courtesy, and sensitivity; that the rights and services extended in this article to victims of and witnesses to a crime are honored and protected by law enforcement agencies, prosecutors, and judges in a manner no less vigorous than the protections afforded criminal defendants; and that the State has a responsibility to provide support to a network of services for victims of a crime, including victims of domestic violence and criminal sexual assault.”

Office and SLED were aware of violations of the Order, yet the Defendant was not and has not been taken into custody as of the date of this Petition.

7. Traditionally, bond must be revoked by the Court or a Bench Warrant must be issued before law enforcement has the authority to take a Defendant into custody on bond violations. However, the Court contemplated this very issue and gave authority to law enforcement to place the Defendant into custody in the immediate instance the Defendant was known to violate the Order. This has not happened as of the date of this Petition.

8. The Solicitor and Law Enforcement failed to carry out the intentions of the Court order when they failed to arrest Defendant for the multiple violations. A writ of mandamus is necessary to address this wrong. "The primary purpose of a writ of mandamus is to enforce an established right and a corresponding imperative duty created or imposed by law". *Willimon v. Greenville*, 243 S.C. 82 (1963).

9. In light of Defendant's repeated violations of the Court Order and the Second Circuit Solicitor's Office and SLED failing to place the Defendant in custody when notified of bond violations, there is no other remedy than a Writ of Mandamus to address these violations and protect the victims and public.

10. WHEREFORE, the Petitioner prays as follows:

- a. That this Court sets a hearing to be followed by the issuance of a Writ of Mandamus to enforce the Order and have the Defendant placed into custody; and
- b. For such other and further relief as this Court may deem just and proper.

Respectfully submitted,

FILED FOR RECORD
WINNIE B. CLARK

This matter came before me August 5, 2019, for hearing on the Defendant's motion for bond. The hearing was held at the Dorchester County Courthouse. The Defendant Bowen Gray Turner was present for the hearing and represented by his attorney, C. Bradley Hutto. The State was represented at the hearing by Second Circuit Deputy Solicitor David Miller¹, who opposed the request for bond. The victim's family members were present at the hearing and were represented by Sarah A. Ford of the South Carolina Victim Assistance Network. After hearing the parties' arguments, considering the information presented, and the requirements of S.C. Code Ann. §17-15-30, this court grants the motion for bond as outlined below.

The Defendant was arrested June 12, 2019, and charged with criminal sexual conduct, first degree on the above referenced warrant. The incident leading to the charge is alleged to have occurred in the early morning hours of June 2, 2019, in Orangeburg County, South Carolina. On June 2, 2019, and at the time of his arrest, the Defendant was sixteen years old.

Bond was denied by the magistrate because the Defendant was on bond for another violent offense in Bamberg County at the time of his arrest for this offense. See S.C. Code Ann. 17-15-55(c). Pursuant to the statute, a bond hearing was conducted before the Honorable Casey Manning

¹ This Orangeburg County case was conflicted out of the First Circuit Solicitor's Office to the Second Circuit Solicitor for prosecution. Additionally, the honorable Edward Dickson, resident judge for the First Judicial Circuit, has recused himself in this matter.

on July 9, 2019. Judge Manning took the motion under advisement and subsequently denied the motion for bond without prejudice by order dated July 29, 2019. The Defendant now renews his motion for bond alleging a change in circumstance exists because he has now turned seventeen and will be held in the Orangeburg-Calhoun Regional Detention Center to await trial instead of the Department of Juvenile Justice if he is not granted a bond on this charge. This Court has been provided with a copy of the incident report for this incident and the previous incident in Bamberg County. The Court notes the Defendant is a lawful United States citizen and does NOT appear in the state gang database maintained by the State Law enforcement Division (SLED).

The Defendant has significant family ties to the community and has no prior criminal convictions. He has no history of flight to avoid criminal prosecution and prior to his arrest on this charge he was living with his parents. The Defendant was arrested in Bamberg County on January 29, 2019 and charged with criminal sexual conduct in the first degree for an incident that is alleged to have occurred in Bamberg County on or about October 7, 2018. Bond was set by the magistrate in the amount of \$10,000 and several special conditions were ordered, including GPS monitoring. On April 11, 2019, attorneys for the Defendant made a motion to remove the GPS monitoring requirement of the bond. The Honorable Thomas L. Hughston, Jr. granted the defense motion by order dated April 22, 2019. This incident allegedly occurred only forty-one (41) later and mirrors the allegations of the Bamberg incident.

Based on the foregoing, I find and rule as follows:

1. The defendant shall be released upon the execution of an appearance bond, with surety, in the sum of ONE HUNDRED THOUSAND DOLLARS (\$100,000.00), with the option to post five percent (5%) cash with the clerk of court, to be signed by a licensed professional bondsman or such other person or persons owning sufficient property to secure such sum, or other good and sufficient surety as approved by this Court, with such bond being

returnable on demand to the Court of General Sessions for Orangeburg County, South Carolina.

2. The defendant's release shall be subject to the following special conditions in addition to the usual and ordinary conditions of release:
 - a. HOME DETENTION the Defendant must be at home between the hours of 7:00 PM and 7:00 AM; the Defendant may ONLY leave the home between the hours of 7:00 AM and 7:00 PM for attorney visits, court appearances, mental health counseling, and medical emergencies;
 - b. HOME DETENTION shall include GPS monitoring at the defendant's expense, and the Defendant shall not be released from custody until the GPS monitor has been affixed;
 - c. A copy of this Order shall be provided by the bond court to the company retained to electronically monitor the HOME DETENTION provisions of this order at the time the electronic monitor is affixed.
 - d. ANY AND ALL violations of the conditions of HOME DETENTION shall be reported to the Second Circuit Solicitor's Office or the Orangeburg County Sheriff's Office within 24 hours of the violation. FAILURE TO COMPLY WITH THIS NOTIFICATION REQUIREMENT WILL SUBJECT THE ELECTRONIC MONITORING COMPANY TO POTENTIAL CRIMINAL AND CIVIL SANCTIONS FOR CONTEMPT OF COURT.
 - e. While subject to the conditions of HOME DETENTION, the Defendant must live at his Grandmother's residence located at 1104 Mobile Street, Orangeburg, SC 29115.
 - f. While subject to HOME DETENTION, the Defendant must be physically monitored by his parents Jennifer and Walt Turner, his grandmother, Cheryl Baugh, or by his aunt, Theresa Bramblett, but the Defendant is not to be unaccompanied by at least one of the aforementioned family members at any time.
 - g. While subject to HOME DETENTION, the Defendant is prohibited from having visitors in his home that are not related to him by blood or marriage.
 - h. The Defendant shall have NO CONTACT, directly or indirectly, with potential witnesses or with the victim or the victim's family. This NO CONTACT provision

63

shall require the Defendant to stay a minimum of 250 yards from the victim and a minimum of one-quarter mile from the victim's residence at all times.

- i. While on bond, the Defendant must enroll in and make adequate academic progress toward completion of his high school graduation requirements.
- j. Aside from required internet access to complete academic requirements as outlined above, the Defendant is to have NO internet ^{or via} or phone ^{or computer} access and is prohibited from any and all social media activity. _{her}

ADDITIONALLY, IT IS ORDERED:

1. If the Defendant is observed violating any term or condition of this Order, any law enforcement agency is hereby authorized by this Order to immediately take the Defendant into custody and to hold the Defendant in custody pending a hearing on the alleged violation(s) of this Order.
2. Any magistrate judge for Orangeburg County is authorized to complete the necessary paperwork to allow the Defendant to garner his release on bond in accordance with the terms of this Order.
3. Any necessary paperwork to be signed by the Defendant to post this bond may be signed by the Defendant's father, Walt Turner on behalf of the Defendant.
4. Until such time as this original order can be filed with the Orangeburg County Clerk of Court, scanned or facsimile copies of this order shall be treated as original.

IT IS SO ORDERED.

(ORDER PREPARED BY JUDGE)

This matter is before me as a result of Defendant's request to modify his bond to allow him to relocate his house arrest to his parents' home. A hearing was held, without objections to venue, in Lee County, South Carolina on 9 March 2020. Defendant was present with his parents; victims were present with their parents; Assistant Solicitor David W. Miller of the Second Circuit was present; C. Bradley Hutto, Esq., was present on behalf of Defendant; and, Sarah A. Ford, Esq., was present on behalf of the victims. Regarding the undersigned

attorneys, I appreciate the very civil and respectful manner in which they treated each other and the court.

At the hearing Defendant, through his attorney Mr. Hutto, was heard. Mr. Hutto sought the amendment and offered his position concisely. The State, through Assistant Solicitor Miller, was heard, and he did not oppose the amendment. The victims were heard through Ms. Ford who stridently offered her position on behalf of the victims. Also, a parent of each victim read statements opposing the bond modifications. I took copious notes and informed those present that I would take the matter under consideration.

I preface the balance of this order by stating, as I often have, that setting or modifying the conditions of a bond is, for a judge, very often a vexing and risky endeavor. A judge is called upon by law to consider the relevant factors set by statute. Yet, in many cases judges are expected to trade the robe for a crystal ball and look into the future to predict the conduct of a defendant after bond has been set. The best and the brightest who wear the robe simply fail in that quest.

DEFENDANT'S REQUESTED MODIFICATION OF HIS BOND:

Defendant requested that his bond be modified to allow him to reside under house arrest at his parents' home at 3361 Jackson Drive, Orangeburg, South Carolina.

Currently, Defendant is residing under house arrest at

his grandmother's house at 1104 Mobile Street, Orangeburg, South Carolina. Defendant avers that the victim in the June 2, 2019 incident has moved from South Carolina to Florida.

The bond conditions that Defendant wishes to amend attach to the bond set or issued by this court on August 5, 2019, a bond that addressed only the victim in the June 2, 2019 incident.

BOND HISTORY: The bond at issue in this order was set by me in the First Judicial Circuit on August 5, 2019 after a hearing was held. Earlier, on or about January 29, 2019, Defendant was arrested and charged with CSC in the first degree for an incident that happened on or about October 7, 2018. A magistrate judge set bond in that case and provided for certain conditions to include GPS monitoring. On April 11, 2019, Judge Thomas L. Hughston, after a modification hearing, granted Defendant's request to remove the GPS monitoring condition. In June 2019, Defendant was charged again with CSC first degree. When the second offense occurred Defendant was not wearing a GPS monitoring device and thusly his movements were not being monitored.

When the second arrest was made the magistrate denied bond for the June 2019 offense and arrest. Defendant moved before Judge Casey Manning who denied bond without prejudice. Because Judge Manning's ruling was without

2/3

prejudice Defendant renewed his motion for bond for the second offense before me on August 5, 2019. I issued a ruling regarding bond. This is the bond, or the conditions of that bond, that is before me for consideration.

(The bond conditions I am asked to modify relate only to the case or charge related to the victim of the June 2, 2019 incident. I see that as a technical issue and, right or wrong, address the modification request here to include, to some degree as you will see, the victim of the October 2018 incident. Further, please be mindful that my use of the words "victim" or "victims" does not, as we well know, determine the guilt of Defendant.)

STATEMENT BY FRANCISCA CHAMBERS: Ms. Ford offered the statement of Francisca Chambers wherein she offered her opinion as an expert in the area of victims of sexual assault. I read her statement and appreciate her position. However, to insure her concern that the victims be shielded from any or all contact with Defendant would require a denial of bond and placement of Defendant in jailed confinement. I have crafted this order with continuing efforts to minimize any contact involving Defendant and the victims.

VICTIM'S ARGUMENT THAT THERE HAS BEEN NO PRIMA FACIA
SHOWING OF A MATERIAL CHANGE IN THE CIRCUMSTANCES TO
WARRANT MODIFICATION OF THE BOND CONDITIONS.

Ms. Ford, on behalf of the victim (or victims), states that SC law requires that Defendant present a qualifying change of circumstances before a bond modification can be made. Ms. Ford offered the following "...only upon the defendant's prima facia showing of a material change of circumstances which relate to the factors provided in Section 17-15-30 and which have arisen since the prior motion to reconsider..." SC Code Ann. 17-15-55(A) (2) .

Ms. Ford offers that none of the modification factors reference any action of the victim as allowing a modification, and she avers that Defendant did not file a written motion making a prima facia showing of a material change in circumstance.

As to the absence of a written motion prepared and submitted by Defendant, there was no objection at the hearing as to the absence of a motion from Defendant. Thusly, the hearing proceeded without this motion. I did not see a statutory requirement that the motion be in written form. Whether one should be or not, there was no objection at the hearing.

Ms. Ford asserts that there is no precedent for a victim's change of circumstances justifying a bond

modification. Regarding the noted statute of criteria to consider bond condition modifications, I did not see any language restricting the modification analysis to only those factors provided. I think it reasonable to assume that if the legislature wanted the considerations to be limited to only those factors provided, the legislature would have crafted the statute to state just that. I do, and should, applaud Ms. Ford for her assertion that the victim's move to Florida should not be a change of circumstances Defendant should be allowed to argue, I respectfully disagree, especially when the concern is there being no contact by Defendant with the victims. Indeed, if victim lives in Florida for most of the year that is, in my view, a material change of circumstances.

VICTIM'S ARGUMENT THAT DEFENDANT'S PARENTS' HOUSE IS
NOT A SAFE OR APPROPRIATE PLACE FOR THE DEFENDANT TO
SERVE HIS HOUSE ARREST.

Ms. Ford correctly asserts that Defendant was living with his parents at their home when the three incidents happened. (I have noted the two leading to Defendant's arrests. In this section of her reply to the modification arrest, Ms. Ford mentions that a first complaint was made in May 2018 that is still under investigation as of March 2020.) Yet, there is one element missing in this position: Defendant was not subject to or wearing any GPS tracking device when living with his parents. For a time he was, but it was when he was not monitored that the

 b

assault events occurred. He was not being GPS monitored when the May 2018 episode took place or when the October 2018 event occurred. And, because another judge had removed the GPS monitoring, Defendant was not wearing one when the June 2, 2019 assault happened.

While Defendant has been GPS monitored there have been no assaults or any other offenses or related problems, to include harassment or threats made to the victims. No such information was offered at the hearing.

Again, Ms. Ford has offered a strong argument that Defendant's parents cannot provide a secure place for Defendant. Yet, again I note that when Defendant erred he was not being monitored.

VICTIM'S ARGUMENT THAT ALLOWING DEFENDANT TO RELOCATE
TO HIS PARENTS' HOUSE WILL VIOLATE THE VICTIM'S
CONSTITUTIONAL RIGHTS.

I agree with Ms. Ford's well-written position regarding the victims' rights. Yet, I am mindful that such rights do not negate or surpass those of Defendant. Indeed, a balancing of the rights comes into play. Let us not forget that there has been no conviction for any of the charges. I appreciate the argument of the victims.

The precise point offered is that allowing Defendant to live with his parents under house arrest will increase the likelihood that Defendant and victims will see or encounter each other. Currently, Defendant lives with his

 7

grandmother three to four miles from his parents' home in Orangeburg. If Defendant is at his parents' home the distance is less than a mile or so from one victim.

Again, I address the GPS monitoring factor that was not in place when the assaults happened. Regardless of the residential location of Defendant he will be (1) on house arrest and (2) subject to GPS monitoring. Might he and the victims encounter each other by happenstance? Possibly but such could have happened or could happen if he lives with his grandmother. One victim attends school in Florida and the other attends school in the Charleston, South Carolina area. Thus, during the school year victims, most of the time, will not be in or near Orangeburg where Defendant resides either with his parents or his grandmother. Supervision of Defendant pursuant to the prior bond conditions will remain in force. See (f) on page three of that bond order.

I respectfully disagree that the modification requested ignores the rights of the victims. I have considered their rights.

VICTIMS' ARGUMENT THAT THEIR CONSTITUTIONAL RIGHTS HAVE BEEN CONSISTENTLY VIOLATED THROUGHOUT THIS CASE.

Victims assert that the State has allowed Defendant to circumvent his bond conditions. This matter or issue or accusation is not before me. I have been involved twice in this case. I heard the bond modification motion

A handwritten signature, possibly reading "DS", is located at the bottom right of the page.

in August 2019 and I heard the request in Lee County, South Carolina, on March 9, 2020. I am not trying to dodge the issue or allegation but I was not involved in any events related to the Defendant, the victims, or the bond conditions between those two episodes of my involvement or before I became involved.

Regarding notice to victims regarding this modification request, on Friday, February 28, 2019, at 4:53 p.m., I told Assistant Solicitor Miller, by email, that "...since the victims want to be present and heard we will need to hold a hearing." I also stated that "...if the victim desires to be present then a hearing is needed." Responses to my email indicated that the victims would be present at the hearing. I am not saying that my email alone insured notice to the victims. Clearly, Assistant Solicitor Miller informed Ms. Ford of the hearing and she indicated the victims would be present.

Having addressed the arguments of Ms. Ford who represented the victims well and with much alacrity in this matter, I stress to all that in this matter I have "called it like I see it" with no reason or desire to reward or punish Defendant, the victims, or the lawyers. In my view, the episodes of assaults all happened when Defendant was not monitored. He will remain monitored. I am not aware of any criminal conduct or charges against

by 3

Defendant when monitored. (I again stress that my words here are not conclusive of the guilt of Defendant.)

Accordingly based upon the foregoing, I find and conclude as follows:

There has been a prima facia change of circumstances allowing modification of the bond condition thereby allowing Defendant to reside in his parents' home immediately upon the filing of this signed order. Notice of this ruling shall be provided to the victims coupled with the victims being given certified copies of the order once signed. Additionally, at no time shall Defendant, even with any of the four adults named in the prior order, be allowed to travel upon the roadways or streets where either of the victims or their immediate families live.

Those conditions and orders of any of the prior bonds not amended in this ruling or order shall remain in full force and effect and are merged into this ruling by reference and made a part of this order.

It is here and now ordered this 16th day of March 2020 at Julia, South Carolina.
