1:42:54 PM – Alex Murdaugh received a group text from “Randy Murdaugh” stating, “Daddy was just seen by the pulmonologist in Savannah. His opinion is dramatically different from the other doctors. He thinks daddy has pneumonia and needs to be hospitalized to be treated for pneumonia. He thinks there could be an obstruction but is more confident that it is all or mostly pneumonia. Daddy is being admitted to Candler Saint Joseph hospital now. He will have a study done to see whether or not there is an obstruction and his treatment will be tailored accordingly. Right now his pulmonologist does not

believe that he will be getting radiation treatment, and in fact the pulmonologist says that the palliative radiation treatment to try to open up the airway is a Hail Mary and in his opinion most likely would not work. If he is right and this is pneumonia, is much more treatable and can certainly give the immunotherapy a chance to work. Although it was not addressed, if this is not an obstruction, the whole prediction of less than a few weeks, would not be true assuming dad can get past this pneumonia. Is my understanding that the study will be done this afternoon to determine whether it is an obstruction and John or I will update as soon as we know more. Instead, (ANSWERED)as they begin to realize that their cry for help, “Lord, Lord,” is going unanswered, (ANSWERED)-“their hands will hang limp” and they will be “shuddering.” (Ezek. 7:3, 14, 17, 18; Matt. 7:21-23) What else will they do? (Read Ezekiel 7:19-21.) (ANSWERED)-Jehovah says: “They will throw their silver into the streets.” (ANSWERED)-That statement regarding the inhabitants of ancient Jerusalem also vividly illustrates what will take place during the great tribulation.
