Narrative

Beaufort County Sheriff's Office Investigation Narrative

Synopsis:

On 06-14-2017 at approximately 1009 hours, I was dispatched to 12 Hanover Way (Colleton River) Bluffton, South Carolina in reference to a Natural Death Scene.

Interview with Complainant: Jayne Hammond

Hammond stated she awoke on 06-14-2017 at approximately 0930 hours to her husband, Paul Hammond, telling her he was going to get some work done in their home office.

Hammond stated she showered, went downstairs, and ate breakfast. She stated she thought she heard her husband cough and then fall at approximately 1005 hours. She stated she went upstairs and found him lying prone on the floor of their home office and that he was unresponsive. She stated she attempted to roll her husband over onto his back and was unable to as he was too heavy for her to move.

Hammond stated she contacted 911 and awaited the arrival of EMS personnel. She provided no additional information.

Officer's Actions:

I secured the scene and completed a Beaufort County Sheriff's Office Death Scene Questionnaire. Deputy Coroner Ott arrived on scene and assumed responsibility. Nothing appeared suspicious.
