Lieutenant Bobo,

Good morning! I'm Andrew Fancher, a journalist with FITSNews. I contacted you earlier this month regarding allegations of nepotism against Sheriff Chuck Wright.

I'm again reaching out to see if the Spartanburg County Sheriff's Office would like to issue a comment/statement. This time, it concerns the S.C. State Ethics Commission announcing its investigation into Wright.

As you don't usually respond to my requests, is there someone better fit to handle media inquiries at the SCSO?

As always, we operate on deadlines and appreciate your time and service!

Respectfully,

Andrew Fancher
