

My name is [REDACTED]. I am Kaden Moses's girlfriend. I have been with Kaden since September 22, 2022. On Wednesday, December 27, 2023, Kaden and a boy named [REDACTED] had a falling out. [REDACTED] had been talking negative of Kaden to me, and I told Kaden. Kaden then in return blocked [REDACTED] on Snapchat. After [REDACTED] and I talked to Kaden, he decided sometime later (I believe on Thursday) to unblock [REDACTED] from Snapchat. Now on Saturday, December 30, 2023, I was staying at [REDACTED] house and [REDACTED] (which happens to be [REDACTED] boyfriend) was staying at Kaden's house. The four of us had been talking to each other off and on during the day, and had made plans to meet at [REDACTED] house the next day with a bonfire and celebrate the New Year. Later that evening (around 9:00 pm) Kaden and I were on the phone talking, and he decided to go take a shower. I stayed on the phone while he took his shower. When he got out, he told me that [REDACTED] had walked outside so he was going to go check on him. He then said [REDACTED] was walking back toward the house from the driveway. Once [REDACTED] came inside, Kaden and I got on Face Time (with cameras on) together and [REDACTED] and [REDACTED] got on Face Time (with cameras on) together. I could see [REDACTED] laying in the floor on Kaden's left side. I could also see the gun in the corner of the room within arm's reach of where [REDACTED] was laying. We all decided to play Roblox. After a little bit of time, [REDACTED] said that he no longer wanted to play so he quit playing the game with all of us but continued to stay on Face Time with [REDACTED]. Even though he was on Face Time, he laid his phone on the floor and had the camera pointing up to the ceiling so we couldn't see him on [REDACTED] phone. After a small amount of time went by, while continuing to play Roblox, Kaden and myself decided to turn our cameras off. Even though the cameras were off, we continued to play Roblox and talk to each other. Within a few more minutes (around 11:30pm), I heard Kaden say "What are" and then I heard a gunshot. After a few seconds I heard [REDACTED] say that Kaden had shot himself. I could hear Kaden's siblings and mom come into the room so I hung the phone up and called 911. After talking to 911, I tried to call my dad because he was closer but couldn't get ahold of him. I then called my mom but couldn't get her either. I then called my grandfather and he handed the phone to my mom. After hanging up with her, [REDACTED] mom ([REDACTED]) took [REDACTED] and myself over to Kaden's house. [REDACTED] walked outside completely emotionless. He simply hugged [REDACTED]. I tried to go into the house but Kaden's mom stopped me. I then asked [REDACTED], "What happened?" [REDACTED] replied, "I don't know. Kaden just put the gun to his head and pulled the trigger." While [REDACTED] was telling me this, he was making the image of a gun with his hand and put it to his head. My mom had gone into Kaden's house at this time, but when she came out, she asked, "Who is [REDACTED]?" [REDACTED] came from around [REDACTED]s car and said, "Me." My mom then said, "What in the heck happened?" [REDACTED] replied, "I don't know. I unloaded the gun so there wasn't anything in it." I continued to stand around for a while and then I went and sat in my mom's car. Since this day, I haven't talked to [REDACTED].
