NOTICE01	Bureau of Healthcare Quality 2100 Bull St Columbia SC 29201-1708 REPORT NOTICE: If applicable, this Report of Visit includes a detailed description of the conditions, conduct or practices that were found to be in violation of requirements. This inspection or investigation is not to be construed as a check of every condition that may exist, nor does it relieve the licensee (owner) from the need to meet all applicable standards, regulations and laws. The South Carolina Code of Laws requires this Department to establish and enforce basic standards for the licensure (permitting), maintenance, and operation of health facilities and services to ensure the safe and adequate treatment of persons served in this State. It also empowers the Department to require reports and make inspections and investigations as considered necessary. Furthermore, the Code authorizes the Department to deny, suspend, or revoke licenses (permits) or to assess a monetary penalty against a person or facility for (among other reasons), violating a provision of law or departmental regulations or conduct or practices detrimental to the health or safety of patients, residents, clients, or employees of a facility or service. If applicable to the type of report being made, the signature of the activity representative indicates that all of the items cited were reviewed during the exit discussion. If this Report of Visit is required by regulation to be made available in a conspicuous place in a public area within the facility, redaction of the names of those individuals in the report is required as provided by Sections 44-7-310 and 44-7-315 of the S.C. Code of Laws, 1976, as amended.	Report Notice

Question ID	Question	Answer
R-61-84- 505.A.	 505.A. All staff members/direct care volunteers who have contact with residents, including food service staff members/direct care volunteers, shall have a health assessment within 12 months prior to initial resident contact. The health assessment shall include tuberculin skin testing as described in Section 1702. (Class I Violation) Comments At the time of the inspection, documentation of a health assessment to include a two-step tuberculin skin test conducted within 12 months prior to initial resident contact was not available for review for Staff A. A health assessment was observed but was not dated and could not be determined when it was completed. Staff A's resident contact date was 10/7/22. Staff B confirmed. 	OUT

 R-61-84- 601.C.	601.C. A facility shall immediately report every serious accident and/or incident to the attending physician, next-of-kin or responsible party, and the Department via telephone, email or facsimile within twenty-four (24) hours of the serious accident and/or incident. (Class III Violation) Comments	OUT
	 The facility did not immediately report a serious accident and/or incident to the Department within twenty-four (24) hours of the serious accident and/or incident. According to an internal incident/accident report, on 1/15/23, Resident A eloped from the facility grounds through the front door and wandered across a four lane highway. Resident A was returned to the facility by law enforcement. Staff B confirmed that the Department was not notified of this incident within twenty-four (24) hours. 	
R-61-84- 703.A.	703.A. Individual Care Plan. Using the written assessment, the facility shall develop within seven (7) days of admission an ICP with participation of the resident, administrator (or designee), and/or the sponsor or responsible party when appropriate, as evidenced by their signatures and date. The ICP shall be reviewed and/or revised as changes in resident needs occur, but not less than semi-annually with the resident, administrator (or designee), and/or the sponsor or responsible party as evidenced by their signatures and date. (Class II Violation) Comments	OUT
	 The individual care plan for Resident A was not revised as changes in the resident needs occurred for elopement and any other wandering/exit seeking issues. According to the facility incident report, Resident A wandered from the facility on 1/15/23, making them at risk for elopement. However, documentation of elopement risk was not observed on Resident A's individual care plan dated 1/10/23. Confirmed by Staff B. 	

CRCF Regulation Sections 900-1800 61-84

Question ID	Question	Answer
R-61-84- 901.C.	901.C. The facility shall render care and services in accordance with orders from physicians or other authorized healthcare providers and take precautions for residents with special conditions, e.g., pacemakers, wheelchairs, dementia, etc. The facility shall assist in activities of daily living as needed and appropriate. Each facility is required to provide only those activities of daily living and only to the levels specifically designated in the written agreement between the resident, and/or his/her responsible party/guardian, and the facility. (Class I Violation) Comments	OUT
	• The facility did not take special precautions for Resident A with a special condition. According to a physical examination dated 1/9/23, the resident has a diagnosis of Dementia. A discharge plan dated 1/8/23 from Carolina Pines Medical Center stated Resident A brought in by EMS after Darlington County Deputy EPC'D. Pt has history of dementia and has been wandering around. Resident at ED on adult protective orders. According to an interview with Staff B at the time of the investigation, on 1/15/23, the resident called 911 and left the facility, walking across a four lane highway. Staff on duty was unaware that the resident eloped. The resident was brought back to the facility by a law enforcement representative. The resident was assessed by staff and no injuries were present but appeared to be disturbed, anxious and confused. A physician was called by the designee to schedule an evaluation as well as the responsible party. During interview with Resident A, it was confirmed that he/she eloped from the facility by walking across a four lane highway. Resident A could not remember why he/she left the facility and stated that he/she did not want to be in any trouble.
