

Senators,

Please see the below statement from Senator Roger Nutt.

Due to recent health concerns, Senator Nutt will resign from the Senate, effective in January. His statement will be released to the press this afternoon and Sen. Alexander will order a special election in District 12.

Senator Nutt's tenure in the Senate was far too short. Please feel free to reach out to him to show your love and support.

I know you will all join me in praying for Senator Nutt.

An Update from Senator Roger A. Nutt

SPARTANBURG, S.C. –

Recently, my wife and I received difficult news. After seeking medical care for what I believed were long-Covid symptoms, I was diagnosed with Alzheimer's disease. While we are saddened by this news, we will face this trial with faith in the grace of God that has sustained our lives, our marriage, and my career in public service for nearly fifteen years.

In light of this news, I have decided to step away from the South Carolina Senate. Earlier today, I submitted my letter of resignation to the President of the Senate, effective in January.

Tracy and I are tremendously grateful for the outpouring of love and support we have received from friends and family. We welcome your prayers, especially for our three children, Collin, Kaitlin, and Luke and their families. It is hard to describe how much I have enjoyed my time in the Senate. Serving in the Senate has been a dream come true, and I am so proud to be a small part of this great Body. God Bless the Senate, and God Bless the State of South Carolina.
